The Old Bee Hibe

A Very Carefully Chosen Stock of Fine Furs

Let one's fancy wander as it may through the maze of fall and winter fashions, it is met wherever it turns by the insistent demand for furs.

Indoor and outdoor, day or evening, formal or informal, the recurring style note is "fur."

This introduction of the 1916 fur fashions then is interesting if only for this reason.

The new fox fur scarfs in flat form are in great demand under the impetus of the high fashion favor they enjoy.

Combination of furs in the high grade sets have won many friends.

Collarette capes will be worn by numbers of the smartest people; indeed the collarette idea is noticeable even in the rounded shape of the stoles over the

Many ideas are presented in muffs, the small semi-round muff with fur, or fur paws and tails in contrast as trimming being in the forefront of the muff

Reliability first, with liberal selections of conservative and novelty styles and prices of the most moderate char-

These are the factors which are building this big fur business bigger still.

We give here but a brief description of the many choice prices in our stocks.
